

Hello and hope the term has gone well so far!

We are contacting schools as we have quite a few pots of external funding at the moment. We identify schools that are eligible, and either let them know that there is funding available for a booking request they have sent to us, or contact schools proactively in a more directed way. However, we thought it might be helpful to bring together the information for other settings we already work with, in case you wanted to ask about us coming back or doing more! Do also feel free to forward this to colleagues in other schools and colleges that you think may be interested.

- **Richmond Upon Thames Voluntary Fund** – grant to deliver student, parent & teacher workshops and play performances in schools within the borough during Jan-Dec 2025.
- **Wimbledon Community Fund** – grant to deliver student, parent & teacher workshops and play performances in schools within the schools in Wandsworth and Merton London boroughs during the 24/25 academic year.
- **John Lyon's Charity** – grant to deliver workshops within settings in the London boroughs of Barnet, Brent, Camden, Ealing, Hammersmith & Fulham, Harrow, Kensington & Chelsea, City of London & Westminster, can include student, parent, teacher workshops and play performances, and up until Dec 2026.

Please do get in touch if you think you may be eligible for any of our delivery as part of these funded opportunities, and we can check for you. Also, if you know of any other funding opportunities, please do let us know!

We'd also love to **draw your attention to our [School Fundraising Pack](#)**, and would be delighted if your school were able to do some fundraising for The Daniel Spargo-Mabbs Foundation. This is a brilliant thing for students to lead on, and getting involved in fundraising can act as a powerful reminder of the messages heard by students through our workshops and play performances. If your school is interested, please contact [grace@dsmfoundation.org.uk](mailto:grace@dsmfoundation.org.uk).

Thank you.
